

# The Budget – Executive Summary

The following quotes have been taken from the Executive Summary of the 2021 Budget.

	...because...	...but...	...so...
'Once economic recovery is durably underway, the public finances must be returned to a sustainable path'...			
'Vacancies remain low'...			
Measures include 'freezes in fuel and alcohol duty'...			
'In 2023... the rate of corporation tax paid by the largest and most profitable businesses will increase'...			
A radical new super-deduction tax incentive for companies investing in qualifying plant and machinery will mean for every pound invested companies will see taxes cut by up to 25p.			

'Thank you for following our sharing policy - it helps us to keep our resources affordable.' The Econosaurus
