

The Budget – Policies and Implications

Policy	Intended outcome	How the policy might this outcome	Possible Disadvantages
<i>Eg 50% pay rise for Best Economics Teachers</i>	<i>To improve quality of Banking</i>	<i>Pay rise incentivizes better economics teaching → Econ education improves → More human capital for areas such as Banking → UK can have an advantage in these areas</i>	<i>Difficult to judge who the 'best' Econ teachers are</i>

'Thank you for following our sharing policy - it helps us to keep our resources affordable.' The Econosaurus
